Missouri FCCLA Guide to STAR Events

STAR Events (Students Taking Action with Recognition) are competitive events in which members are recognized for proficiency and achievement in chapter and individual projects, leadership skills and career preparation.

This guide is provided by Missouri Family, Career and Community Leaders of America (FCCLA) to assist members and advisers as they implement the STAR Events program in their local chapter's program of work. In addition to the thirty-three (33) national STAR Events, Missouri FCCLA offers two (2) state-level events. The national competitive events guide can be downloaded under the resources tab in the chapter affiliation system. The Missouri state-level STAR Events policies are outlined in this guide posted online at www.mofccla.org.

The following STAR Events are available to eligible chapter members:

Foundational:

Career Investigation
Entrepreneurship
Environmental Ambassador
Focus on Children
Illustrated Talk
Interpersonal Communications
Job Interview
Leadership
Life Event Planning

Participants in the event marked with ★ are eligible to also participate in one national STAR event.

The following events are state-only events and do not qualify for national STAR Events competition:

FCCLA Knowledge
Toward New Horizons

The following event is held in-person onsite at regional and state STAR Events:

FCCLA Knowledge

The following event entry form is submitted directly to the state FCCLA adviser. Students do not participate at the regional level:

Toward New Horizons
Postsecondary Entries

Note: Skill Demonstration Events are national events that are offered at the National Cluster Meetings only (see the national competitive events guide).

STAR EVENTS AND THE FAMILY CONSUMER SCIENCES CURRICULUM

Participation in STAR Events is an exciting, challenging, and fun experience. It provides opportunities for FCCLA members to share knowledge and hard work with others and to be recognized for their accomplishments. STAR Events strengthen the Family Consumer Sciences program by increasing student motivation and providing a framework for authentic learning experiences.

FCCLA programs and activities, including STAR Events, are designed to be integrated into the family and consumer sciences curriculum. Members that participate in STAR Events not only reinforce the content skills learned in the family and consumer sciences classroom, but also give students an opportunity to practice “process skills” such as leadership, communication, conflict resolution, and critical and creative thinking.

The national competitive events guide contains the following reference document specific to the national STAR Events:

- [National Standards & Initiatives Crosswalk](#)

PARTICIPANT ELIGIBILITY

All STAR Events participants must be affiliated members of an FCCLA chapter – paying regional, state and national dues. **Only chapters affiliated with the regional, state and national levels by the December 1 deadline are eligible to enter STAR Events. Membership is official on the date regional, state and national dues are processed by the national office.**

An individual member may participate in only **one** national event in any given year.

Members participating in FCCLA Knowledge, a Missouri state-level event, may also choose to participate in one national STAR Event.

All regional (current and incoming) and incoming state officers only may participate in regional, state, and national STAR Events.

STAR EVENTS ON THE REGIONAL AND STATE LEVELS

The adviser(s) to the regional first vice president or a designated regional STAR Events coordinator is responsible for coordinating regional STAR Events. They are responsible for ensuring all event guidelines and policies are followed at the regional event.

Regional STAR Events will be held throughout Missouri. Regional associations may determine to hold STAR Events involving more than one FCCLA region.

An entry fee will be established by the host institution and must be paid for each participant. The entries advancing to state will be submitted to the state adviser by the regional first vice president or regional STAR Events coordinator. **Each region may submit the top two (2) gold medal entries in most event categories for participation in state STAR Events.** Any exceptions to this policy will be written in the specific event guidelines, or require approval by state adviser.

The host institution will mail (or e-mail) an announcement of the regional STAR Events and scheduled date no later than December 1. (Regions may wish to announce the date as early as possible, but the mailing should be done no later than December 1.) This mailing will be sent to all schools in the region, which have family and consumer sciences programs, regardless of the status of FCCLA in those programs. The mailing will include information regarding event deadlines, location, equipment, fees, tentative time schedule, and any other pertinent information.

As a general rule, all policies as outlined in the National Competitive Events Manual are followed at regional and state STAR Events. One exception is registration. In Missouri, individual participants do not register onsite, the chapter adviser is responsible for picking up the STAR Events registration packet from the regional or state STAR Events coordinator. In events which award points for registration, the points will be automatically awarded to chapters' entries that follow the guidelines for regional and state registration.

All students participating in regional STAR Events should be aware of the dates of the Missouri FCCLA State Leadership Conference and National Leadership Conference. Regional STAR Events winners are required to register for and are expected to attend the entire Missouri State Leadership Conference. State STAR Events winners are not required to attend the National Leadership Conference, but must make the decision whether to attend prior to participating in state STAR Events.

Graduating seniors should be made aware of the National Leadership Conference dates to make sure they can attend and participate fully. National STAR Events participants must pre-register for and attend the entire National Leadership Conference to officially enter national STAR Events. Participants are members of the Missouri FCCLA state delegation and are required to stay with the delegation in an official convention hotel and use the process established by Missouri FCCLA.

Participants eligible for the national STAR Events must be a gold medal recipient and selected at the state STAR Events held during the Missouri FCCLA State Leadership Conference.

Missouri FCCLA may, upon approval of the State Executive Council, develop additional state STAR events which meet the needs of the Missouri FCCLA members and advisers. Events may be sponsored solely by Missouri FCCLA, or may be co-sponsored by organizations, agencies, or corporations as approved by the State Executive Council.

Regions may not implement additional STAR Events without the approval of the state adviser and State Executive Council.

Missouri FCCLA adheres to national event criteria. Missouri's spectator and electricity policies align with National FCCLA's. It is recommended to adhere to national event criteria as much as possible to best prepare for national competition. The national competitive events guide is available for download from within the affiliation portal. Event criteria for the state-level events are published in this guide, and posted on the Missouri FCCLA website, www.mofccla.org.

DISQUALIFICATION

Disqualification is unfortunate for everyone concerned — participants, advisers, and event managers. To avoid unnecessary disappointment, keep in mind the following causes for disqualifications:

1. **Failure to affiliate members and send regional, state and national dues to the national FCCLA office by the December 1 deadline. Payment must be processed no later than December 1.**
2. **Failure to be on time for event presentation.** Participants are encouraged to arrive 30 minutes before their scheduled event presentation and may be disqualified if more than 15 minutes late.
3. Failure to attend participant orientation.
4. **Participation in any behavior that negatively affects the management of STAR Events or failure to display a positive image of the FCCLA organization before, during or after participation may result in disqualification of student(s) and/or eligibility of the student(s).** For regional STAR Events, the penalty is determined by the Regional Executive Council. For state STAR Events, the penalty is determined by the Missouri State Executive Council.
5. **The use of inappropriate music, graphics, or text will automatically disqualify the entry.** Inappropriate materials are those that are obscene, indecent, profane, or explicit.

SPECTATOR POLICIES

Missouri's spectator policies are the same as national event guidelines: Spectators are not allowed to observe any portion of any STAR Event. Videotaping and/or audio recording of events is not allowed. At State Leadership Conference, participants may be photographed by the established media team.

STAR EVENTS FEES

Each participant pays a fee to help cover STAR Events expenses - room rental, certificates, recognition session expenses, awards, and supplies. STAR Events fees are non-refundable.

Each participant in the Toward New Horizons event, will pay a \$10 event fee instead of the standard state-level STAR Events fee. This fee will be paid with the chapter's state leadership conference registration. Participants are encouraged to attend the State Leadership Conference to receive their recognition medal, and selected entries may be asked to present during the conference.

STATE RECOGNITION

State participants will receive a certificate of achievement and a STAR Events recognition medal.

Recognition levels are:

- **Gold medal** (highest level);
- **Silver medal**; and
- **Bronze medal**.

Missouri FCCLA has established a minimum rating system for junior category participants, which prevents a score of less than 60 points. This policy is set to recognize that many junior participants are experiencing STAR Events for the first time and may not be familiar with competitive event programs. Evaluators are encouraged to provide constructive comments which lead to future improvement and encourage members to continue participation in STAR Events in the future. There is no minimum rating system for senior or occupational participants.

Each entry is evaluated by a standard set of criteria. There is no limit to the number of medals given for each level in any category.

Placement of event participants (1st, 2nd, 3rd, etc.) may be announced if scholarship funding is available and tied to placement within an event, or if an event is sponsored and awards are based upon ranking.

STAR EVENTS MANAGEMENT INFORMATION

Many individuals are needed to assist in the management of state STAR Events. Both student members and adults play an important role in the success of the events by serving in the following areas:

- **Coordinator** – An adult with expertise in managing STAR Events who handles the planning and overall coordination.
- **Assistant Coordinator** – An adult experienced in working with STAR Events who assists the coordinator.
- **Event Lead Consultants** – Advisers or former advisers experienced in working with STAR Events who are responsible for handling details and managing a specific event onsite.
- **Room Consultants** – Student members and adults who work together to manage the flow of participants and assist evaluators.
- **Evaluators** – Evaluation teams composed of student members and adults, who are responsible for evaluating entries, assigning ratings to participants, and discussing strengths and areas for improvement. Evaluation teams will be comprised of three members consisting of at least 1-2 adults. (Less than three members will be accepted only if substitute or on-call evaluators are not available.) During regional and state STAR Events, all efforts will be made to prevent evaluators from participating school districts judging entries from their respective schools.

Throughout the events, cooperation and respect between youth and adults are encouraged and fostered by providing each individual an opportunity to work in youth/adult teams. The belief that youth are capable of assuming important roles has been the key to the success of this system.

Information on specific management responsibilities can be found in the *Missouri STAR Events Management Manual, Revised 2018*, which is posted on the Missouri FCCLA website, www.mofccla.org. Specific management responsibilities will be distributed prior to the event.

EVALUATOR/ROOM CONSULTANT INFORMATION

Evaluation teams are composed of youth and adults who are selected for their expertise in a specific event area. Evaluators are recruited from business, industry, community organizations, colleges and university programs, and other appropriate agencies. Missouri Alumni and Associates members are encouraged to serve as STAR Events evaluators. Advisers may nominate other adults and student evaluators, or they may volunteer to serve. Nominees should have previous experience participating in similar events or leadership experiences that qualify them for this responsibility.

An orientation session for evaluators should be held prior to the events. During this session, the following topics are addressed:

- STAR Events general information;
- Event philosophy;
- Evaluation techniques and consistency;
- Missouri junior category minimum ratings;
- Procedures clarification; and
- Rules and rating sheet clarification for specific events.

NUMBER OF ENTRIES PER CHAPTER FOR REGIONAL AND STATE STAR EVENTS COMPETITIONS

Please refer to the chart below to identify the number of entries per chapter for each category and event. Participants in the event marked with ★ are eligible to also participate in one additional national event. Toward New Horizons and Postsecondary events are not required to compete at the regional level, these projects advance straight to state competition.

FCCLA KNOWLEDGE

Missouri FCCLA State Event

FCCLA Knowledge, an individual event, recognizes participants who are interested in learning about the background and current information of the organization. Information can be found in the *Missouri FCCLA Member Handbook*, *Missouri Study Guide for Regional and State Officers*, basic parliamentary procedure, and other official publications of the Missouri FCCLA association, which may be found on the Missouri FCCLA website, www.mofccla.org.

EVENT CATEGORIES

Junior: through grade 9

Senior: grades 10-12

Occupational: grades 10-12

★ Participants in this event may choose to also enter one national STAR Event.

Chapters may submit ten (10) entries in each event category. This is a Missouri state-level event and does not qualify for national STAR Events competition.

ELIGIBILITY

1. A chapter may enter each category of this event.
2. Participation is open to any regional, state, and nationally affiliated FCCLA chapter member (December 1 payment deadline). State STAR Events participants must register for the State Leadership Conference.
3. An event category is determined by participants' previous or current enrollment in family and consumer sciences related coursework and grade in school as of April 30 of the current school year.

PROCEDURES AND TIME REQUIREMENTS

1. Participants report to the event lead consultant at the designated room fifteen minutes prior to participation time.
2. One hour is allowed for the event, including the instructions and paper collection.
3. The test may consist of general information about Family, Career and Community Leaders of America, its history, mission, purposes, creed, and other facts found in the *Missouri FCCLA Member Handbook*, the *Missouri Study Guide for Regional and State Officers*, basic parliamentary procedure, and other official publications of the Missouri FCCLA Association, which may be found on the Missouri FCCLA website, www.mofccla.org.
4. Participants are responsible for bringing their own #2 pencils and erasers for this event.
5. Spectators are not allowed.

EVALUATION AND AWARDS

Results are based on the percentage of correct items. Medals will be awarded as follows:

Gold: 90 - 100% correct

Silver: 70-89.99% correct

Bronze: 1 – 69.99% or below correct

The participant scoring a gold rating with the greatest number of correct answers is the top gold winner. Ties will be broken based on the order in which the tests were turned in. The test turned in the earliest will be the winner.

The scoring sheet will be returned to the advisers at the end of STAR Events. TESTS WILL NOT BE RETURNED.

TOWARD NEW HORIZONS

Missouri FCCLA State Event

Toward New Horizons, an individual event, recognizes participants' ability to create a poster reflecting the importance of FCCLA and/or family and consumer sciences education to their personal growth and leadership development.

EVENT CATEGORIES

Junior: through grade 9

Senior: grades 10-12

Occupational: grades 10-12

Chapters may submit three (3) entries in each event category. This is a Missouri state-level event, and does not qualify for national STAR Events competition.

ELIGIBILITY

1. A chapter may enter each category of this event.
2. Participation is open to any regional, state and nationally affiliated FCCLA chapter member (December 1 payment deadline) who is classified under the provisions of Public Law 105-17, Individuals with Disabilities Education Act, 1997.
3. The project must be developed and completed within the current school year before the annual State Leadership Conference.
4. The project and all supporting materials must be planned, conducted and prepared by the participant only.

PROCEDURES

1. Participant creates a poster, using foam core poster board (of any color), reflecting the importance of FCCLA and/or family and consumer sciences education to their personal growth and leadership development.
2. The foam core poster board should be standard size – 30” x 40” and may be used vertically or horizontally.
3. Participant must attach to the back of the poster one 8½” x 11” project identification sheet, containing the following information: Participant’s name, school, city, state, FCCLA region, title of project.
4. Participant must attach to the back of the poster one 8½” x 11” summary page of how each step of the FCCLA planning process was used in the project.
5. Participant must attach to the back of the poster one 8½” x 11” page explaining how FCCLA has helped him/her in personal growth and leadership development, and if needed, an explanation of the poster elements. This should not exceed 200 words.
6. An easel will be provided for the display of the poster at the State Leadership Conference.
7. To enter the Toward New Horizons event, the chapter adviser submits an entry form directly to the state adviser by February 1 deadline. All entries meeting this deadline will be permitted to participate at the State Leadership Conference. Entries are NOT submitted on the regional level.
8. At the State Leadership Conference, a time will be set for all entries to be turned in for evaluation. All posters must be set up during that time frame.

EVALUATION AND AWARDS

Evaluators will complete a rating sheet on each entry, and award medals as follows:

Gold: 90-100 points

Silver: 70-89.99 points

Bronze: 1-69.99 points

Should a tie result for the state winner, the judges will rank the participants, with the rank of 1 being the highest. Awards will be presented during the STAR Events Recognition Session at the State Leadership Conference.
