Leadership Viewpoint
Leaders need to know themselves to lead themselves – so get to know you and the people around you! Take a look at your leadership style. This session will give you a look at your personal leadership style will help you understand how you can best use your style to effect positive change and leadership in your organization.

The Leader’s Journey
Life is a journey! It’s taking the time to stop and be intentional to find the leadership lessons along life’s journey. Follow the map as your trainer walks through their leadership journey and the key moments that defined them. Then chart your own course and discover what it takes for Your Leadership Journey to begin.

Productivity Power Tools
Great leaders know how to communicate, lead projects, and other key skills, but no matter how many tools a leader has if they don’t know how to manage their time, they won’t be as successful as they could be! This session will help you learn simple strategies to help you better outline and prioritize tasks, so you spend more time working on the right things!
